Overnight Ramp Closure from NB Dan Ryan to SB Stevenson

CHICAGO – The Illinois Department of Transportation (IDOT) announced that bridge inspection will take place on the elevated Dan Ryan Expressway (Interstate 90/94) over the northbound Dan Ryan to southbound Stevenson Expressway (Interstate 55) ramp, in Chicago, Saturday, July 22.

In order to complete the bridge inspection, the ramp that carries traffic from northbound Dan Ryan Expressway to the southbound Stevenson Expressway will be closed from 1 a.m. to 6 a.m. The ramp from 31st Street to the northbound Dan Ryan also will be closed. A posted detour will direct traffic to turn around at the Canalport Street exit.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
